

Articulation Guidelines for Students with International Baccalaureate Credits

This table indicates the course(s) for which a student with a score on the Higher Level of the IB exam receives academic credit in the College of Liberal Arts. For example, a student attaining a score of 6 in ART would receive academic credit for ART 116 and would not have to take this course at Mercer University. Departments listing “N/A” as their response either do not have a suitable equivalent for the IB program or have insufficient documentation from the IB program to make a reasonable articulation suggestion. Courses are three (3) semester hours credit unless otherwise noted. Labs are one hour.

Note: All courses listed as elective are entered in SIS as 100 level (e.g. ENG 100.)
